Hi Terry and John,

We have just been informed that there is a call scheduled for Thursday morning at 11:30 with TCEQ (David Brymer and others), which you may already be aware of. Would it be possible for you and/or John to have a call with us about CSAPR ahead of that Thursday call? I can't speak for Brian, but I can make myself available anytime between now and then.

Sorry about the change in schedule. I hope you are feeling better.

Thanks,
